Book Description

Who among us doesn't simply love to doodle—or, at the very least, doodle to pass the time during long meetings or classes? Now you can learn the fine art of doodling while exercising your creativity at the same time. *Creative Doodling & Beyond* features a fun variety of projects, prompts, exercises, and ideas to get your doodling juices flowing, while also providing inspiration for how to use your doodles creatively. Artists will begin with some warm-up exercises and basic drawing instruction. From there, they'll embark on creating projects with doodles that get progressively more advanced through the book, starting with a gift tag and ending with elaborate doodling projects on wood and fabric.
