Book Description

The Underground Culinary Tour is a high-octane, behind-the-scenes narrative about how the restaurant industry, historically run by gut and intuition, is being transformed by the use of data. Sixteen years ago, entrepreneur Damian Mogavero brought together an unlikely mix of experts—chefs and code writers—to create a pioneering software company whose goal was to empower restaurateurs, through the use of data, to elevate and enhance the guest experience. Mogavero describes such restaurateurs as the New Guard, and their approach to their art and craft is radically different from that of their predecessors. By embracing data and adapting to the new trends of today's demanding consumers, these innovative chefs and owners do everything more nimbly and efficiently—from the recipes they create to the wines and craft beers they stock, from the presentations they choreograph to the customized training they give their servers, making restaurants more popular and profitable than ever before. From the glittering nightclubs of Las Vegas to a packed seasonal
