Book Description

Do you know Chicago? The Windy City is a world-class metropolis that is also a magnet for little monsters. Did you know that? Monsters are masters of camouflage who can easily hide in plain sight. They blend in with the dolphins at the Shedd Aquarium, get lost in the crowd at Navy Pier and even surface at Cloud Gate! Have fun spotting them all as you explore some of Chicago's most iconic landmarks and sights, including Millennium Park, the Art Institute of Chicago, the Centennial Wheel, the Magnificent Mile, the Lincoln Park Zoo and Oak Street Beach.
