Book Description

In this latest installment of FalconGuide's Adventures with the Parkers series, the Parkers, an intrepid family of four, journey to Grand Teton National Park. While there they see moose, grizzly bears, elk and other animals while hiking the Teton Crest Trail, one of the most beautiful backpacks in the country. But when the parents hire a guide and attempt to scale the Grand Teton, things get dicey in the extreme mountain environment. Will they make it safely to the top--and back down again? Each book in the exciting Adventures with the Parkers series for kids 8-13 explores a popular national park and is packed with adventure as well as engaging and educational facts about nature, outdoor safety, and much more. Summer vacation has never been this fun!
