Book Description

A (mostly) Kids' Guide to Naples, Marco Island & The Everglades is a fun family's-eye view of the beaches, nature preserves, attractions and experiences on land and sea. From awesome museums and attractions in sophisticated Naples to outrageously exciting adventures deep in the Everglades, it's packed with tidbits of regional history and trivia that kids, parents, grandparents, educators and armchair travelers will love. They'll laugh out loud at some of the strange stories and quirky creatures that inhabit this exciting land. Airboats and swamp buggies, pirates and Indians -- even the legendary Skunk Ape -- are all inside, along with a comprehensive index with websites and phone numbers.
