Book Description

ARE THERE MONKEYS IN GLACIER NATIONAL PARK? Well, there are NOW! In this kids' "guidance" book, our little plush monkey friends help us observe wild animals in their natural habitat without interfering with real-life animals, teaching the first valuable lesson: leave wildlife alone! Hilariously funny TALKING plush monkeys are the stars of the show! KIDS don't get into trouble, MONKEYS do...but the kids learn the lessons just the same! Imaginations get a thorough workout! Filled with eye-popping photos of the scenery in Glacier Park, you get a tour of the most prominent locations along with amazing insights for kids to help them enjoy this magical wonderland of nature. Having SAFE RESPONSIBLE FUN is the main focus, a concern for every parent. The cool part is: kids will digest the message better if you present it in a humorous manner. Fun-loving monkeys insure the message comes through loud and clear. Kids can look forward to achieving 2 main goals with this book: 1. Learn lots of real facts about the park and its wildlife. 2. Have crazy-good fun learning that stuff! Our monkey friends don't know anything about the park, so the kids PRETEND to be grownups so they can be the leaders. They advise the monkeys what to do, and what NOT to do so they can avoid danger and stay out of trouble. "Ranger Joey" pop-ups reinforce the message on each page so nobody is left wondering if the monkeys did a good thing or a bad thing. It's spelled out plainly, leaving kids with f
